Recent Highlights

Band Camp

The students this year are sounding amazing. We are thrilled with how far they have come. On Friday 8/4 they will be able to show all their hard work to our community and invite as many people as you would like. We will have a chicken fundraiser and an opportunity for family and friends to learn to spin a flag and play some instruments for a small donation.

BandApp

We have 3 bandapps currently we are only using 2 of them. The Booster one (Parent and Student), and the Student only one.

On the Booster one you will find:

- Sign up for fundraisers
- Calendar (also on the website for the public)
- Pictures
- Schedule changes
- Food Donation needs
- Important information

On the Students Only they will find:

- Updates on Music
- Video
- Soundtracks
- Important information as it relates to shows

Update your notification:

There are a lot of moving parts that include reminders to select what you would like to be notified on. As we start moving closer to competition BandApp will be your lifeline.

Remind didn't allow us to post crucial information, the newsletter comes out only once a month, and email and texting get lost with all the other things everyone has going on.

This is something new for our program we ask that you are patient as we navigate.

Competitions

Competitions are right around the corner, do your students have everything they need?

Go to our website for a list of items needed

<https://angolahighschoolbands.org/students/#contest>

If your student needed band shoes they have been ordered or delivered depending on if we had them in stock.

How to Get Involved!

Chaperone, donate, fundraise, build props, football games, competitions, lead a committee, let us know how you want to help

It costs over \$60,000 to run our marching band which doesn't include our winter activities so all monetary donations count!

GoFundMe has been created share the [link!](#)
